**VERY IMPORTANT NOTICE: VALIDATION OF EUROPEAN PATENTS IN POLAND
THE LAWSUIT FOR THE LIQUIDATION OF WTS PATENT ATTORNEYS HAS BEEN FILED**

Dear Sirs,

Please, be informed that on the 21st of December 2018 the lawsuit for the liquidation of WTS Patent Attorneys, a private partnership registered in Warsaw, Poland, has been filed to the District Court in Warsaw, XVI Commercial Department, and it has been registered by the Court for the proceedings under the reference number XVI Gc 1413/18.

Most of the staff of the Warsaw office of WTS Patent Attorneys has already been dismissed in December. While the court proceedings in the case XVI Gc 1413/18 may not impact the ongoing operations of the company's Wrocław office in the short term, we find it essential that clients are informed about this important development. Regrettably, we are unable to predict the detailed timeline of the court proceedings towards the liquidation of the company.

We would like to thank you very much for our cooperation.

Very truly yours,

WTS Patent Attorneys team
